Mayor Bill White
City of Houston
P.O. Box 1562
Houston, TX 77251

Dear Mayor Bill White,

It is very apparent to me that your administration can not help me. They are following the law of your Ordinance 19-43 that you and your council passed. That ordinance must be changed by you.

My letters to you have been passed around and I am not getting any help at all. In order for your administrators to help us, you must change the law. My property value must change back to pre-ordinance in order for me to have my security back.

At my age I cannot make up for the loss of value and neither can my neighbors. It is totally unfair as the ordinance reads now. I shall want to hear from you, we must be able to restore and repair our homes without the 10 year accumulative 50% clause; otherwise we will be living in sub-standard homes.

Sincerely,
